Corrigendum

This is with reference to our advertisement dated 23.12.2009 in 'Hindustan Times' and 'Hindustan' daily for supply and installation of water purifiers.

In this regard the following amendments are made in our tender document placed on our website www.licindia.in.

1. Point no.2 in **Annexure A** may be read as **“Output flow rate should be 120 LPH (2 Litre per minute)”** instead of “Maximum output flow rate should be 120LPH (2 litre per minute)”.
2. Point no 2 in **Annexure A1** may be read as **“Whether output flow rate is 120 LPH (2 litre per minute)”** instead of “Whether maximum output flow rate is 120 LPH (2 litre per minute)”.
3. Point no 8 of Annexure A may be read as **“8W lamp for UV action”** instead of “Minimum 8W lamp for UV action”.
4. Point no. 22 in Annexure A may be read as **“The format of both the bids is enclosed as per Annexure A1 and annexure C”** instead of “the format of both the bids is enclosed as per Annexure A and Annexure B”.
