**Re: Supply of Paper required for our Diaries & Calendars- 2011.
Tender Reference No. Stores / CC / 296 / 03 / 2010 .**

We invite Tender from Indian Agents/ suppliers/ Mills (directly) **(except those who have been Blacklisted/ debarred)** for supply of following papers –

- a) 75 GSM Surface Sized Maplitho Paper in White (High Bright shade),
- b) 120 GSM Surface Sized Maplitho Paper in White (High Bright shade),
- c) 160 GSM Art Paper (White High Bright),
- d) 150 GSM Chromo Art Paper (White High Bright),
- e) 100 GSM Art Paper (White High Bright) ,

required for printing of our Diaries & Calendars for the year 2011 as per our specifications and estimated total quantities in the attached annexures, subject to the following:

- 1) The rates **(both, in figures & words)** should be quoted only for the specified Paper, strictly as per the specifications stipulated by us in the respective attached forms and the supply should be strictly as per these specifications only. **In case of SS Maplitho Paper, the pulp should be strictly free from Recycled Waste Paper.**
- 2) **The tenderer must sign each page of terms and conditions enclosed herewith as confirmation of acceptance of our terms and conditions and enclose the same alongwith the technical bid.**
- 3) **The rates should be quoted for supply in Reams (Sheet Size) of 500 sheets each as well as for supply in Reel form.** The rates quoted for Ex-Mill and for door delivery should be inclusive of all taxes including Octroi wherever applicable, but excluding Entry Tax. Any change in the existing statutory levy after the due date of tender will be considered on merit. No separate payment of whatsoever nature will be made other than the rates quoted for per Ream/ Gross. Entry Tax, if any, will be reimbursed at actuals.
- 4) **The delivery of the material should be given to the printer at ground floor level with stacking of the bundles / Reels upto 7 feet height. Unloading charges has to be borne by the supplier. However, in case of alternate arrangement any dispute arises regarding payment of unloading charges, Corporation will not intervene.**

- 5) **The Tenderer/Agent/Supplier will not be allowed to quote on behalf of more than one manufacturer for one item. If any tenderer quotes the rates for any one item manufactured by more than one manufacturer, their total tender will be rejected.**

- 6) **Paper should be packed in polythene sheet in the first instance and wrapped thereafter with good quality waterproof paper, so as to avoid any damage to the material.** Thus properly packed bundles should be delivered to the printers in any or all of the following centers:
 - a) Bhopal in Central Zone.
 - b) Chennai & Sivakasi in Southern Zone.
 - c) Hyderabad & Manipal in South-Central Zone.
 - d) Kanpur & Noida in North- Central Zone.
 - e) Delhi & Faridabad in Northern Zone.
 - f) Kolkata in Eastern Zone,
 - g) Ahmedabad, Ahmednagar, Nagpur, Vasai, Mumbai & Navi Mumbai in Western Zone.

- 7) Rates may be quoted for estimated total requirements or part thereof depending upon the terms quoted. **If reduced rates are quoted for any minimum quantity of any of the above items, such quantity and rates are to be clearly specified in the Tender.**

- 8) Terms quoted should be firm and valid for deliveries to the nominated printers upto **30.9.2010** strictly in terms of the individual orders placed or till the entire dispatches of ordered quantity are completed.

- 9) Since the Paper is to be specially manufactured as per our specifications, the tenderer should obtain an authority letter from the manufacturer confirming the validity of the rates for the aforesaid period and attach it to the tender. **Authority letter (in original) from the Mill/manufacturer authorizing the tenderer to quote the rates on their behalf must be enclosed with the tender.**

- 10) The delivery of Paper/ Board to the designated printers should start on or before **1.8.2010** and should be completed up to **30.9.2010** in phased manner specified by us. There will be maximum 3 lots depending on the total quantity allotted. Penalty for delayed supply for each lot, will be calculated separately, unless specifically permitted by the Corporation. Each lot of paper must have prominent label of Lot No. 1, 2, etc....., apart from your Mill lot No. and other information label.

- 11) Door deliveries at the Printers' godown must be effected in phased manner as specified in our order, with sufficient advance intimation in writing to them and to us, so that all the printers get the Paper evenly in order to enable them to start the work of printing. Failure to do so will attract penalty under Clause 20 of the Terms and Conditions of the tender attached hereto.

12) The tenderer should ensure that the trucks for supply of paper are not overloaded beyond its capacity and as far as possible trucks are not to be changed en-route. If however, trucks are required to be changed en-route, due care to be taken that the material does not get damaged and if the material is damaged, it will be entirely the responsibility of the Supplier and the Paper Mill.

13) It shall be the responsibility of the tenderer to ensure that the supplies of the materials are made in time and as per the specifications. In case of default in timely delivery or deviation in the properties of the material or paper found unuseable after opening of the reels (including damaged core), at the time of taking the paper on the machine, leading to delay in printing schedule or complaints about the quality of the Diaries & Calendars etc., the tenderer shall be liable to pay damages and compensation for the loss of image and goodwill of L.I.C. of India in the market as decided by the Corporation. Further in that event L.I.C. of India may decide to delete/ debar/ blacklist the concerned supplier/Mill/firm and the decision of the Corporation will be final and binding on all concerned.

For specifications & properties, the samples drawn as per BIS standards will be independently tested by us from the recognized Paper Testing Institutions & variation in specifications beyond permissible limits will attract financial penalty as decided by the Corporation in addition to that mentioned above and the decision of the Corporation in this behalf will be final.

14) Tenderer must arrange to obtain Entry Permits, Road Permits and Certificates that might be required, from all concerned local/ other authorities for final delivery at the printers' godown and for this purpose should obtain necessary papers etc. from L.I.C. of India. The local office of LIC will lend necessary assistance and co-operation, however, delay arising in the final delivery because of delay in obtaining such permits & certificates for whatsoever reasons will also attract penalty under Clause 20 of the Terms and Conditions of the tender. **Further, charges that may become payable towards demurrage or similar expenses will be borne by the tenderer or will be deducted from the bill.**

15) The tenderer must take a separate Transit Insurance Policy jointly in the name of the tenderer and L.I.C. of India covering the cost of the material to be supplied to us after our firm order is placed and submit the Policy document to us, before the actual dispatch of the material, even if the mill has insured its production, failing which no payments will be released. The rates quoted must be inclusive of the cost of Transit Insurance Policy in our favour to be obtained by the tenderer and sent to us.

16) Any short supply or damages arising on delivery for whatsoever reasons, should be made good forthwith without waiting for admission of claim by the insurer under the policy.

- 17) If, after the supply, it is observed that the materials supplied do not conform to the specifications, such supply may be rejected at the supplier's cost who will have to supply the materials exactly according to specifications and in the event of noncompliance with this condition, the Corporation shall be at liberty to take such action as it may deem fit, in addition to penalizing the supplier of such additional cost as may be incurred by it in replenishing it with supplies from other sources. Stores rejected after receipt will have to be taken back by the Supplier at their own risk and cost.
- 18) Core, in case of supply of paper in reel form, should be strong enough so as not to get damaged during transportation or handling of the Reels. Any core damage will be the responsibility of the Paper Supplier and as such Paper Supplier should take utmost care to use good quality strong Core.
- 19) The offer shall be in two separate parts for each of the above items, containing technical and commercial bids (as per Annexure 'A', for Technical Bid and Annexure 'B' for Commercial Bid). Two separate sealed envelopes containing Technical and Commercial Bids for each item for which the tenderer wants to quote the rates should be enclosed together in a large envelope, sealed and superscribed as **“Tender Ref. No. and Name of the Tenderer.”**

Both the inside envelopes i.e. Technical bid and Commercial (price) bid separately for each item, should be separately and securely sealed and stamped. Both these sealed envelopes must be superscribed with the following information:-

- Type of Bid (Technical or Commercial)]
- Names of the items for which tender is submitted
- Tender Reference No.
- Name of the Tenderer.

A) The envelope No. 1 containing Technical bid should not contain any price information and should indicate whether the respective item is as per the specifications as asked in the tender enquiry and other requirements as asked with reference to Annexure 'A' for respective item, alongwith Demand Draft favouring L.I.C. of India for **Rs.10,00,000.00 (Rupees Ten Lakhs only)** drawn on a Nationalized Bank / reputed Scheduled Private Bank payable at Mumbai towards Earnest Money Deposit (E.M.D.). This envelope should also contain another Demand Draft favouring L.I.C. of India for **Rs. 500.00 (Rupees Five Hundred only)** drawn on a Nationalized Bank/ reputed Scheduled Private Bank payable at Mumbai being the **application fee** which is non-refundable.

B) The envelope No. 2 should contain only Commercial bid as per Annexure 'B' for respective item. It must give all the relevant price information, i.e. rate per Ream / per Kg. of Paper (both, in figures & words) for the destinations mentioned in Annexure 'B'. The commercial offer should not contradict the technical offer in any manner. The price schedule must be filled in completely without any error, erasures or alterations with rate in both, figures & words.

20) The Commercial bid of only those Tenderers who qualify themselves in Technical bids will be opened.

21) (i) The Tenderer / s whose tender/s get approved will have to submit a Bank Guarantee of a Nationalized / reputed Scheduled Private Bank for an amount to the extent of 10% of the total order value within 15 days from the date of placing order or before the start of supply whichever is earlier. Bank Guarantee should be valid upto **31st March 2011. Please Note that the Bank Guarantee in the format given by us should be sent to Secretary (O.S.), L.I.C. of India, Central Office, Mumbai - 21, directly by the issuing Bank under Registered Post (A.D.) and not through the Tenderer himself.** The Bank Guarantee will be released along with the final payment without any interest.

(ii) Earnest Money Deposit (E.M.D.) will be forfeited in case the tenderer refuses the order, either full or part, if placed at the quoted rates. In addition to that LIC may decide to debar / blacklist the concerned Supplier and the decision will be final and binding on all concerned.

(iii) E.M.D of the tenderer / s getting the order will be refunded without any interest, on submission of the Bank Guarantee of the requisite amount.

(iv) EMD of the Tenderer / s not getting the orders will be refunded without any interest within 60 days from the due date or within 21 days from the date of finalizing the orders, whichever is earlier, without any interest thereon.

(v) Once the tender is submitted, no tenderer will be allowed to withdraw the tender, for whatsoever may be the reason. If, any tenderer withdraws the tender, E.M.D. of that tenderer will be forfeited.

(vi) In case of the successful tenderer backing out after award of the contract, then also the EMD will be forfeited.

22) Bills will be settled as under:

- a) 90% of the bill will be paid within a fortnight from the date of receipt of the bill along with the relevant Consignment Note and Transit Insurance Policy document and the confirmation by the concerned printers on our format for having received the material.
- b) Balance 5% of the bill will be paid on receipt of a Final certificate (in the enclosed format) from the Printer.
- c) The final 5% balance payment will be made after completion of dispatch of Diaries & Calendars – 2010 and getting an independent test results of the properties of the paper supplied.
- d) In the event of complaint about delay or dilution in the quality or specifications, the final 5% balance payment outstanding will be withheld till investigations are completed and appropriate decision taken, and no interest will be paid on such withheld amount.
