Mode of Instalment payment	Minimum instalment amount
Monthly	₹ 5,000/-
Quarterly	₹ 15,000/-

 - discounted value of all the future instalments due; or
 - (the original amount for which settlement option was exercised) less (sum of total instalments already paid).

The instalments shall be paid in advance at yearly or half-yearly or quarterly or monthly intervals, as opted for, subject to minimum instalment amount for different modes of payments being as under:

Half-Yearly	₹ 25,000/-
Yearly	₹ 50,000/-

If the Net Claim Amount is less than the required amount to provide the minimum instalment amount as per the option exercised by the Policyholder/Life Assured, the claim proceeds shall be paid in lump sum only.

For all the instalment payment options commencing during the 12 months' period from 1st May to 30th April, the interest rate used to arrive at the amount of each instalment shall be annual effective rate not lower than the 10 year semi-annual G- Sec yield p.a. minus 2%; where, the 10 year semi-annual G-Sec yield shall be as at last trading day of previous financial year. Accordingly, for the 12 months period commencing from 1st May, 2024 to 30th April, 2025, the applicable interest rate for the calculation of the instalment amount shall be 5.07% p.a. effective.

"How to read and understand this benefit illustration?"

This benefit illustration is intended to show year-wise premiums payable and benefits under the policy, at two assumed rates of interest i.e., 8% p.a. and 4% p.a.

Some benefits are guaranteed and some benefits are variable with returns based on the future performance of your insurer carrying on life insurance business. If your policy offers guaranteed benefits then these will be clearly marked "guaranteed" in the illustration table on this page. If your policy offers variable benefits, then the illustrations on this page will show two different rates of assumed future investment returns of 8% p.a. and 4% p.a. These assumed rates of return are not guaranteed and they are not the upper or lower limits of what you might get back, as the value of your policy is dependent on a number of factors including future investment performance."

SECTION 45 OF INSURANCE ACT, 1938:

The provision of Section 45 of the Insurance Act, 1938 shall be as amended from time to time. The current provision is as under:

- (1) No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy, i.e. from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later.
- (2) A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later on the ground of fraud:

Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision is based.

Explanation I- For the purposes of this sub-section, the expression “fraud” means any of the following acts committed by the insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance policy:-

- (a) the suggestion, as a fact of that which is not true and which the insured does not believe to be true;
- (b) the active concealment of a fact by the insured having knowledge or belief of the fact;
- (c) any other act fitted to deceive; and
- (d) any such act or omission as the law specially declares to be fraudulent.

Explanation II- Mere silence as to facts likely to affect the assessment of the risk by the insurer is not fraud, unless the circumstances of the case are such that regard being had to them, it is the duty of the insured or his agent, keeping silence to speak, or unless his silence is, in itself, equivalent to speak.

- (3) Notwithstanding anything contained in subsection (2), no insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the misstatement of or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intention to suppress the fact or that such misstatement of or suppression of a material fact are within the knowledge of the insurer: Provided that in case of fraud, the onus of disproving lies upon the beneficiaries, in case the policyholder is not alive.

Explanation – A person who solicits and negotiates a contract of insurance shall be deemed for the purpose of the formation of the contract, to be the agent of the insurer.

- (4) A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued:

Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision to repudiate the policy of life insurance is based:

Provided further that in case of repudiation of the policy on the ground of misstatement or suppression of a material fact, and not on the ground of fraud the premiums collected on the policy till the date of repudiation shall be paid to the insured or the legal representatives or nominees or assignees of the insured within a period of ninety days from the date of such repudiation.

Explanation - For the purposes of this sub-section, the misstatement of or suppression of fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer, the onus is on the insurer to show that had the insurer been aware of the said fact no life insurance policy would have been issued to the insured.

- (5) Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.

Prohibition of Rebates (Section 41 of the Insurance Act, 1938)

- 1) No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take out or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of the insurer.
- 2) Any person making default in complying with the provisions of this section shall be liable for a penalty which may extend to ten lakh rupees.
