

TO All LIC Policyholders

Our attention is drawn to some messages circulated in social media with our Emblem and logo asking policyholders to link their Aadhaar number by sending SMS to designated number

LIC of India informs the public and policyholders that no such message has been sent by LIC. Also no facility to link Aadhaar number to policies is available through SMS in LIC.

As and when LIC will enable linking of Aadhaar number with policies through SMS ,our website will be duly updated of this option.

LIC policyholders are cautioned to check with LIC offices before sharing their personal information.
