#	Particulars	Details	
1	Citation Serial Number		
2	Name of Biometric Project		
3	Name of the Prime Bidder for the Assignment		
3	Name of Client		
4	Address of Client		
5	Contact Person Name and Mobile/Tel No		
6	Total Assignment Value ( Rupees)		
7	Start and End Dates	From :	To:
8	Project Timelines/Duration(in Weeks)/ No of Staff months of the assignment		
9	Outcomes of the Project assignment / Whether completed or ongoing		
10	a) Name of the Biometric SDK/API b) Name & contact details of OEM c) Matching speed per second d) Concurrent users handled e) No. of active sessions handled		
11	a) Name of the Single Fingerprint scanner supplied b) Name & contact details of OEM c) Model d) Sensor		

RFP for 'Two Factor Authentication and Aadhaar enabled Services'

	e) Extractor	
12	No of Single Fingerprint scanners supplied and installed.	
13	Hardware & software infrastructure implemented in the project.	
14	Architecture adopted for this project	
15.	Brief narrative description of Project	
16.	Assignments undertaken by the bidder that is relevant to current project (Similar Nature of Work).	
17.	Learnings, pain-areas, implementation hurdles, etc. w.r.t this project	
18	Does the assignment involved :	(YES/NO and provide brief Note)
	(i) Implementation of 2F (fingerprint) authentication software SDK/API	
	(ii) supply and installation of Single Fingerprint authentication devices	
	(iii) Program /Project Management Services for Implementation.	
19	Other relevant Information	
<b>Attach work orders/ certificates specifying "completion" OR "satisfactory work in progress" along with Bill of Material (BOM) and Bill of Quantity (BOQ)</b>
